## Membership Criteria

To qualify for membership in SIM International, individuals must fall into one of these four leadership categories:

- **Practitioner:** A senior-level IT professional in either a public or private sector organization meeting the following criteria:
  - Corporate/Division Head of your company's corporate or divisional IS organization.
  - IS Management Staff supporting Corporate/Division IS Heads with key management roles, as certified by the head of the organization.
- **Academic:** A full-time university or college faculty member making a significant contribution to the IS field.
- **Consultant:** Leaders at the partner/principal level who influence the direction of their own company of their clients' companies, and who directly contribute to the IS profession.
- **Other leader:** A non-IT executive such as vendor, recruited or leader from another profession who has a major role in matters impacting strategic IT direction.

\*SIM adheres to a strict policy against marketing or commercial activity; sales and marketing representatives are accepted as members through the SIM Partner Program.
